Senator Wong provided in writing.

Question:

(a) What is DEST's definition of "Rural and Regional" in terms of attracting incentive payments for the Rural and Regional Skill Shortages – Special Commencement incentive payments?

(b) Please provide a comprehensive list of areas DEST defines as rural and regional.

Answer:

Rural and Regional Skills Shortages

(a) The definition of Rural and Regional which is used for the purposes of the Rural and Regional Skill Shortages – Special Commencement incentive payments is the workplace locations identified in the Rural and Regional Skills Shortage Special Commencement Incentive Eligible New Apprenticeships Workplace Postcode Schedule.

DEST's definition, ie the workplace locations identified in the Rural and Regional Skills Shortage Special Commencement Incentive Eligible New Apprenticeships Workplace Postcode Schedule, is based on work undertaken by the ABS that mapped postcodes to non-metropolitan statistical local areas (SLAs).
