#### SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE 2005-2006 SUPPLEMENTARY ESTIMATES HEARING

Outcome:1Output Group:1.2 – Assistance for individuals including those with special needs

### DEST Question No. E824\_06 - Final

Senator Wong provided in writing.

#### Question:

Please provide a list of schools who received funding under the ASSPA arrangements in 2004 including the quantum of funds provided, and how much these schools received under PSPI in 2005.

#### Answer:

#### Whole of School Intervention Strategy

Attached is a list of the schools whose ASSPA Committees received funding in 2004, together with details of their respective approved funding under the Whole of School Intervention Strategy (WoSI) to 31 October, 2005. WoSI funding incorporates funding for Homework Centres and for Parent School Partnership Initiative projects, and details for each of these elements are shown in separate columns in the list. Funding information relating to the final (fifth) round of WoSI approvals for 2005 is not yet available and has therefore not been included.

The attached list does not include 2005 WoSI funded schools which are part of a larger or cluster project which has been funded under WoSI. An example of this is the funding of \$190,000 for schools across the New South Wales New England education district.
