Question Number: W445-06

Question:

Senator Crossin asked: How much funding is being put into this program? Is it possible to have a breakdown by state/territory?

Answer:

The Indigenous Youth Employment Consultant Budget measure was allocated \$13.1M from 2004/05 to 2007/08.

The State/Territory breakdown of payments under IYEC contracts are listed in the table below up to end October 2005. Payments are identified in the department's financial records against the address of the payee and do not necessarily reflect the location of consultant services.
