Question Number: W570-06

Question:

Senator Marshall asked in writing:

In relation to W247-06, if the promotion of AWA's amounted to 9% of expenditure in 2004-5, how much of the OEA's budget can we expect it to account for in 2005-6.

Answer:

The OEA is currently in the process of revising its internal budget in anticipation of receiving budget supplementation via the Portfolio Additional Estimates process.

It is not possible to estimate the level of expenditure on promotions for the 2005-06 financial year until the budget process has been completed and the revised internal budget is approved.
