Question Number: W652-06

Question:

Senator Marshall asked in writing:

Can the department now, following passage of the Building and Construction Improvement Bill identify which properties have been/are being considered for the Australian Building and Construction Commission, how many and where?

Answer:

- DEWR are seeking new premises in Melbourne, Sydney, Adelaide, Perth and Brisbane on behalf of the ABCC.
- The ABCC cannot provide specific address details of those properties.
- Negotiations over possible leases are continuing in relation to some locations and properties are still being sourced in others.
