DEST Question No. E677_07

Senator Wong asked on 1 November 2006, EWRE Hansard pages 68 and 69.

Question:

So that is 15,611 fee paying students, including 2,310 in summer/winter semesters, out of a total of 523,327 students... Are you able, on notice, to provide for me a breakdown of the 15,611 figure by university, including the 2,310 in summer/winter semesters?

Answer:

Student numbers

The figure of 2,310 for students undertaking summer/winter semester studies, which was available in October 2006, has now been revised to 2,371. This is because a number of higher education providers have reclassified some units of study data.

Attachment A shows the number of summer/winter semester and all fee-paying students by university.
