Question Number: W 1016-07

Question:

Senator Wong asked in writing: **Job Capacity Assessment – JCA and the Personal Support Program** What systems are in place for job Capacity Assessors to view the PSP exit report as EA2000 does not interface with EA3000?

Answer:

When a PSP participant is due to complete 2 years in the programme, a system message is sent to Centrelink alerting Centrelink that a participant is exiting PSP and that an exit report is to be completed by the provider within 15 business days of the participant exiting. Centrelink will arrange the JCA appointment for the exiting PSP participant and will print the PSP exit report from DEWR's Integrated Employment System for collection by the JCA provider prior to the appointment with the participant.
