Question Number: W353-07

Question:

Senator Lundy asked in writing

Of the restaurants audited, what are the names of the restaurants that OWS has found had not committed any breaches? What are the names of the restaurants OWS has found have committed breaches? Of those that have committed breaches, what were the nature of those breaches?

Answer:

It would be inappropriate for the names of the restaurants to be released. Where investigations are ongoing, disclosing the list is likely to prejudice the ongoing investigation. Where investigations are complete and resulted in litigation, the details of the alleged breaches are the subject of court action.

Estimated Cost: To prepare this answer has taken approximately 3.85 hours at a cost of \$69.50
