Question Number: W805-07

Question:

Senator Crossin asked in writing:

What assistance is DEWR really giving in terms of resources, information about training courses, help in setting up courses ... as opposed to just visiting and talking?

Answer:

DEWR has produced a booklet to assist organisations to develop and manage Capacity Building Plans. DEWR Contract and Account Managers conduct regular monitoring and risk assessments of CDEP organisations both to identify capacity building issues and support organisations to implement agreed goals.
