**Question:**

Senator Wong asked in writing:

For each measure and for each current forward estimate year in the Welfare to Work package identified on pages 133-134 of 2005-06 Budget Paper No. 2 provide revised estimates in the following tabular form

**Answer:**

This response relates only to the DEWR component of Welfare to Work measures. The requested tabular form seeks gross expenses and gross savings. This information is not publicly available nor is it readily obtainable without an unreasonable diversion of resources. DEWR's Welfare to Work estimate was revised at the 2005-06 Additional Estimates by \$68.4 million over 3 years from 2006-07 to 2008-09, however this was not disaggregated by measure.
