Question Number: W899-07

Question:

Senator Wong asked in writing:

Green Corps – How much does it cost per participant/how is cost assigned? Can you break it down into components, eg training, service fees, etc?

Answer:

The average cost per contracted placement is approximately \$14,320. This average cost is a combination of Participant Allowance paid directly to the participant and Administration Fee paid to the service provider. The Administration Fee includes costs for training. The Administration Fee is a tendered fee.
