Question:

Senator Wong asked in writing: Employment Assistance and Other Services. Please outline expenditure in this appropriation, each year, for the past three years and the next three years to 2009-10. Is this where JPET is assigned? If not, where?

Answer:

Expenditure under the Employment Assistance and Other Services appropriation for the past three years is:

2003-04 = \$350.584 million

2004-05 = \$409.697 million

2005-06 = \$226.089 million

Prior to 2005-06, the appropriation included amounts for sub-programmes now administered by other departments, for example supported employment, advocacy and Commonwealth and State and Territory Disability Agreement projects that are now administered by the Department of Families, Community Services and Indigenous Affairs.

The Government does not make forward estimates for appropriations publicly available.
