Question Number: W943-07

Question:

Senator Wong asked in writing: Vocational Rehabilitation Services. Can you break down the previous spend and the current estimate into specific types of services, eg vocational counselling, workplace modifications?

Answer:

Until 1 July 2006, the total appropriation for rehabilitation services was paid to CRS Australia as a block grant in monthly instalments and expenditure on specific types of services is unavailable. Under the new funding arrangements CRS Australia reports on outcomes achieved, rather than specific inputs to achieving those outcomes.
