**Question**

*Australian Youth Forum*

Can you also provide the committee with a breakdown of the costs of other events and functions at the forum? I assume there were events associated with the forum itself?

**Answer**

The Australian Youth Forum (AYF) was launched in Adelaide on Thursday 2 October 2008. The only other event associated with the launch was the first face-to-face meeting of the Youth Engagement Steering Committee (QoN 869 refers), which was at no additional cost.

The total cost of the launch of the AYF (GST inclusive) was \$29,697.61.
