SUPPLEMENTARY ESTIMATES 2009–10**

**Outcome** 4

**DEEWR Question No.** EW487\_10

Senator Cash provided in writing.

**Question**

*Youth Unemployment*

What statistical apparatus does the Government have in place to identify what works and what does not and why in relation to combating youth unemployment?

**Answer**

The Department uses a variety of statistical techniques to identify what works and what does not and why in relation to combating youth unemployment. These techniques include regression modelling and net impact studies.
