Was there any correspondence between the Department and the office regarding the South West Perth Priority Employment Area and the electorates of Brand and Fremantle?

Senator CASH—I will just pursue that very briefly with you, Mr Carters. Was any reference made in correspondence between the department and the office of the relevant ministers that the south-west metropolitan Perth region contained the federal electorates of Brand and Fremantle?

Senator CASH—Could you also take on notice whether or not there was any reference made in telephone calls between the department and the office of the relevant ministers that the south-west metropolitan Perth area contained the federal electorates of Brand and Fremantle?
