**Question**

**PHONE CALL MADE TO TERANG**

Senator ABETZ—All right. Can we be told what time this inspector, as the person has been described, was first contacted and requested to make that phone call of 2.14 pm and who instructed this inspector to make that phone call? Mr Campbell—I do not have that information available now. Senator ABETZ—Of course not, but take it on notice. You must be able to provide that—with the inspector being so meticulous.

**Answer**

*The Fair Work Ombudsman has provided the following response:*

The Fair Work Inspector was asked to conduct initial inquiries into this matter at around 11am on 5 February 2010. This included considering jurisdiction and instrument coverage before making contact with the employer.
