Senator MASON—.... Could the department provide a list of all statutory and non-statutory appointments to portfolio agencies or any other bodies for which the minister has sole or joint responsibility? Paul—Sure. Senator MASON—Please include the appointment and expiration dates, appointments by the minister or his delegate, whether or not each appointment was approved by cabinet and if so, when. Paul—Yes. Senator Chris Evans—You want all ministers in the portfolio? Senator MASON—Oh yes, that is right—there were three or four. Yes, thank you, Minister.
