DEEWR Question No. EW0794_12

Senator Siewert asked on 20 October 2011, Hansard page 7

Question

SEAM monitoring data

Dr Morehead: The monitoring data is not publicly available. Senator SIEWERT: It is not publicly available. What does it measure? Dr Morehead: A few things. We measure what people think about SEAM. We have done qualitative research on what people—for example, parents and teachers—think about it now. Senator SIEWERT: Why isn't that publicly available? Dr Morehead: We probably could make that publicly available. Senator SIEWERT: If you could, that would be good.

Answer
