Outcome 4 - Employment

DEEWR Question No. EW0878_12

Senator Back asked on 19 October 2011 , Hansard page 94

Question

Employment Services Area

Senator BACK: Going back to the employment service areas, could you provide us with a list of which employment service areas are affected by the business reallocation? Ms Parker: We cannot actually name the providers at this stage. We are doing that in November.

Senator BACK: It is the employment service areas that are affected, not the actual businesses themselves. Senator Chris Evans: Ninety-six per cent are getting renewed. Ms Paul: That is right. I do not have it with me, though. Senator Chris Evans: By areas, do you mean geographical areas? Ms Paul: There are 118 employment service areas. We will take it on notice.
