What Commonwealth funding is allocated for the low SES communities National Partnership in each of the following years: 2012/2013, 2013/2014, 2014/2015 and 2015/2016? Please provide, broken down by federal electorate, a list of the schools receiving low SES NP funding in 2012/2013 and 2013/2014 and the total amounts for each school.

Answer

The Smarter Schools National Partnership for Low Socio-economic School Communities (Low SES NP) is providing \$1.5 billion over seven years (2008-09 to 2014-15).

Funding allocation:

2012/2013	2013/204	2014/2015	2015/2016
\$363 million	\$226 million	\$174 million	\$Nil

A list of schools participating in the Low SES NP from 2010, 2011 and 2012 is provided at **Attachment A**.

The amount of funding allocated to a participating school is determined and allocated by the state or territory education authority.
