Written Question on Notice: Additional Estimates February 2003

Senator Lundy asked:

Provide the following information for each contract entered into by the agency which has not been fully performed or which has been entered into during the previous 12 months (financial year 2001-2002) that are all or in part information and communications technology related with a consideration to the value of \$20, 000 or more, including the following details for each contract:

- (a) a unique identifier for the contract (eg contract number);
- (b) the contractor name and ABN or ACN;
- (c) the domicile (country) of the parent company;
- (d) the subject matter of the contract, including whether the contract is substantially hardware, software, services or a mixture, with estimated percentages;
- (e) the starting date of the contract;
- (f) the term (duration) of the contract, expressed as an ending date;
- (g) the amount of the consideration (AU\$);
- (h) the amount applicable to the current budget year (AU\$);
- (i) whether or not there is an industry development requirement; if so: provide details of the Industry Development requirements (in scope and out of scope). full list of sub-contracts valued at over \$5,000, including the all the information described in (a) to (h).

The data should be in both hard copy and electronically as a spreadsheet.

Answer:

It was agreed with Senator Lundy's Office, that due to the broad scope and complex nature of the question, Finance's answer would be provided in two phases:

- 1) Information on contracts valued at \$100,000 or more; and
- 2) Information on contracts valued between \$20,000 and \$100,000.

The data contained within Attachment A relates to the second phase.
