Senates Additional Estimates—February 2003
Question on Notice—Senator Kate Lundy

Out of the Senate Additional Estimates hearings in February, Senator Lundy put a series of related questions on notice concerning IT Outsourcing.

The attached information was collated in March; however, I apologise that, due to an oversight, it was not sent to the committee by the due date.

It was unclear as to whether the information required by part (g) of the question related to 2001–02; to a budgeted amount for 2002–03; or to the year-to-date expenditure for 2002–03. Consequently two amounts have been provided in answer to this question:

Expenditure for 2001–02 and
Expenditure to date for 2002–03.

If additional details are required, please let me know.
