Hansard Page: F&PA 211

Senator Crossin asked: How many women's organisations or peak NGOs attended the Australian *WomenSpeak* Conference in August 2001?

Answer: A total of 135 NGO delegates attended the Australian *WomenSpeak* conference in August 2001. There were conference registrations from 51 NGOs. A further 84 delegates are recorded as 'accompanying persons' who attended the conference with those who registered. These 84 delegates may or may not have been members of the 51 NGOs who registered. This information was provided to OSW by the Professional Conference Organisers and is correct to the best of our knowledge.
