Topic: Electorate office relocations

Hansard Page: F&PA 87

Senator Brandis asked:

I have one question on the same topic which I am sure you would want to take on notice. It is a two-part question. What was the date on which approval in principle was given to the location of the new Bonner electorate office, and what was the date on which final approval was given for the location of the new Bonner electorate office?

Answer:

On 2 October 2003, the Special Minister of State (SMOS) approved in-principle the relocation of the Bonner electorate office. On 12 May 2004, the SMOS gave his final approval of the relocation.
