Senator Faulkner asked:

Senator Faulkner—Thank you, I appreciate that information. In relation to the Government Members Secretariat asset register, I received an answer to a question on notice which Dr Watt took on notice in the round in November. You probably do not have the information available now. It was my written question on notice F&PA 56, 1 November 2005. Could you take on notice to update that asset register up to the current date, maybe to 1 February?
