**Hansard Page/Written Question on Notice: Written**

**SENATOR EVANS** asked on 14/02/06:

Why hasn't the Department been able to supply an answer to question HS 33 arising out of November Estimates? Doesn't this answer simply require a print out of a Centrelink database? Why is this question taking so long to answer?

**Answer:**

The response to this question is not simply a print out of a Centrelink database and required considerable time to prepare. This response was tabled with the Committee on 11 April 2006.

This answer required 1 hour at a cost of \$40 to prepare.
