Additional Budget Estimates Hearing – February 2007

**Question: F7**

**Outcome: Enhanced capacity for the Australian Government to offset unfunded superannuation liabilities**

**Topic: Geographical Breakdown of Investments by New Zealand Super Fund**

**Hansard Page: F&PA 47**

**Senator Sherry asked:**

Are you able to give us an indication of approximately where—in terms of asset breakdown and geographically—that was placed?

**Answer:**

The New Zealand Super Fund has published a breakdown of the investments by geographical location and it is available at:
