Topic: Security Review prior to 2008

Question: P 4

Hansard reference: F&PA page 11, 8 February 2010

Date set by the committee for the return of answer: 26 March 2010

Ms Graham—The review of the security roster was commissioned in late 2008. The review that identified that there were opportunities to improve the roster was completed prior to that. I do not have the exact date. I can get that for you.

Answer

1 The opportunities to improve the security roster were summarised in a recommendation arising from the Security Continuous Improvement Review, which was finalised in August 2008.
