**Question:**

Are the hire cars – as in not self-drive rental cars but hire cars – that are used the only cars that can be paid for by the Cabcharge card that is issued to staff or is it something that would be invoiced to the department?

**Answer:**

Hire cars may be paid with a Cabcharge card, if the company accepts Cabcharge. Alternatively, the cost may be invoiced by the company to the Department or the employee may pay the company and seek reimbursement.
