Question:

Senator CORMANN: I am asking a question. How much Australian domestic bank debt does the Future Fund own or hold?

Mr Neal: For a specific answer I will have to take that on notice, because a large amount of the cash allocation would be short-term bank bills. There will also be an allocation to debt issued by banks within the nation-building funds. It is a relatively complex question that I will have to take on notice..

Answer:

\$7,160 million at 14 February 2012.
