## Answers to Questions on Notice

### Parliamentary departments, Department of Parliamentary Services

Topic: **Climate Change**

Question: **82**

Written **Senator Bushby**

**Date set by the committee for the return of answer: 30 March 2012**

Are there climate change sections or areas that work on climate change in your department/agency? If yes, list details.

#### Answer

1 No.

2 However, the Parliamentary Library has prepared the climate change website\* (on the APH website) and other publications to help provide Senators and Members, and their staff, with accurate and timely information and background on the key issues.

3 The Parliamentary Library also provides individualised and confidential research services to Senators and Members in support of their parliamentary and representation roles.
