How many documents (include the amount of copies) have been printed this financial year to date? How many of these printed documents were also published online?

Answer:

To provide the level of detail sought regarding the number of documents printed this financial year to date would involve an unreasonable diversion of departmental resources. ComSuper publishes its Annual Report online and all superannuation scheme publications, forms and factsheets are available online. Scheme members may opt-in to receive electronic annual review statements and other online communications.

Question:

How many documents (include the amount of copies) have been printed this financial year to date? How many of these printed documents were also published online?

Answer:

As a superannuation trustee, CSC has regulatory obligations to communicate with the members of its superannuation schemes, including annual member statements, Product Disclosure Statements, Financial Services Guides, and facts and general information in accordance with its licence requirements. It would be an undue diversion of resources to provide the detail and total spend of all of these programs.
