Ms Christine McDonald  
Secretary  
Senate Finance and Public Administration Legislation Committee  
Parliament House  
CANBERRA ACT 2600

Dear Ms McDonald

**Correction:**

I am writing to correct my response to a question asked during the Additional Estimates Hearing of the Senate Finance and Public Administration Legislation Committee, on Tuesday, 12 February, 2013. Reference - page 61.

Senator Sinodinos asked about behavioural economics and 'nudge'.

In my response I spoke about workshops the Office of Best Practice Regulation are organising to raise awareness of nudge and how its principles can be applied in policy making. I advised that we had held one workshop and that another two were planned. I would like to clarify that at the time of the hearing one had been held and a further three were planned.

Yours sincerely

Darrell Porter  
Deputy Executive Director  
Office of Best Practice Regulation
