Outcome 2, Output 2.1.3

Topic: List of Parties and their Associated Entities

Hansard Page: F&PA 441

Senator Faulkner asked:

For the benefit of the committee I ask you to take on notice to provide the committee with such a list. It can be done in simple form—name of the registered party and name of the associated entity. If it is not too much trouble, it would be good for that to be provided. I hope you will be able to do it with the press of a couple of buttons.

Answer:

The answer provided to me by the Australian Electoral Commission is as follows;

Attached is the requested list. Please note that a review of the AEC's records on associated entities is being undertaken and there may be minor changes to the list. If changes to the list are made, an updated list will be provided. As this review of the AEC's records is not expected to be finalised for some time, this list is being provided now as it is up to date based on June 2003 data.
