**Senator Crossin asked: Did the country statement show the \$10.1m taken out or not? Confirm whether it was a mistake or whether the final decision had not been made at that point.**

**Answer:**

The CSW 47 Country Statement was delivered on 5 March 2003. The Country Statement included the \$10.1m of PADV and NICSA funding.

The final decision to re-allocate the \$10.1m to forward years was made during the Budget process.
