Notes

1. All family members must be concessional to be counted
2. Family must be registered for safety net
3. The date of processing for the above data is up to 01/05/2004 and the date of services is between 01/01/2004 and 01/05/2004.
4. Family status is based on the safety net registration file as at 03/05/2004.
5. Assumes the service charge is correct.
6. OOP - Out of pocket expenses for non hospital services. This is the difference between the charge for the service and the benefit paid.
7. Remember the benefit paid is not necessarily 85% of the schedule fee.
8. Services are split into GP/OMP and Other based on the Broad Type of Service for the item claimed.
9. FTB(A) file contains those eligible during 2003/04
