**Topic: Locks in Parliament House**

**Question P4, Hansard page number 34 (23/5/05)**

Senator FAULKNER—I would have hoped that we could do a bit better than that. All right; what is this change to the locks costing?

Mr Ward—I would not know. I would have to take it on notice, sorry.

Ms Penfold—We will have to take that on notice.

**Answer:**

The cost of the purchase of the lock cylinders and keys was estimated at \$655,000. The installation of the lock cylinders was estimated at \$400,000. The tenders are still being evaluated so these figures are still preliminary estimates.
