

Australian Government

Change your car to LPG fuel and receive a grant of up to \$2000.

Application forms now available.

LPG offers a cheaper option. To help motorists convert to LPG, the Australian Government introduced a new grants programme on 14 August, 2006.

The *LPG Vehicle Scheme* provides a:

- \$2000 grant for an LPG conversion of a motor vehicle for private use
- \$1000 grant towards the purchase of a new LPG vehicle for private use.

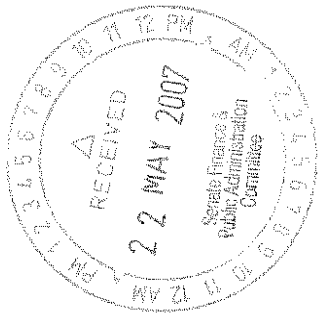

Application forms can be lodged from 1 October, 2006, and are now available from:

- AusIndustry hotline on 13 28 46
- AusIndustry website at www.ausindustry.gov.au
- Your local Centrelink or Medicare office.

Cheaper fuels. Better options.
