Topic: Detailed list of costs relating to 2020 Summit

Hansard Page: F&PA 98

Senator Ronaldson asked: Mr Mrdak-That was reimbursement of the costs incurred by the University of Melbourne in doing the program content and development for the summit. It covered the reimbursement for some staff costs of the VCO, some contractors and consultants they engaged, secondments of staff from other agencies, the printing of programs, some facilitation advice and some work on the opening session of the summit. The total of that reimbursement and those costs was the \$317,000.

Senator RONALDSON-If you take it on notice, can you provide me with a detailed list of those costs?

Mr Mrdak-Yes, certainly.
