

Casula

Moorebank

Wattle Grove

Key

- Blue outline denotes Commonwealth-owned land.
- Pink outline denotes land owned by an authority, eg, Liverpool City Council or RailCorp.
- Black outline denotes land owned by private third-parties, eg, SIMTA .

RailCorp has acquired various slivers of land between the SSFL and the Southern Powerhouse Land, Western Commonwealth Land and Glenfield Tip for the purpose of constructing the SSFL. These slivers of land are too small to be shown on this Charting Map.

This Charting Map shows indicative cadastral boundaries only for the purpose of generally illustrating the boundaries between the relevant areas of the Moorebank Precinct. Actual cadastral boundaries may be different to those shown on this Charting Map and further investigation should be undertaken before dealing with any of the parcels depicted on this Charting Map. Some of the Deposited Plans referred to on this Charting Map are included as part of the Title Documents.

Lot 3 DP736881 Lot 3 DP735524;
