- If not, why not? Provide details, including what has been the timeframe for payment of accounts? Please provide a breakdown, average statistics etc as appropriate to give insight into how this issue is being approached)
- For accounts not paid within 30 days, is interest being paid on overdue amounts and if so how much has been paid by the portfolio/department agency for the current financial year and the previous financial year?

Where interest is being paid, what rate of interest is being paid and how is this rate determined?
