**Finance and Administration Portfolio**

**Department of Finance and Administration**

Supplementary Budget Estimates Hearing – October 2006

**Question: F56**

**Outcome 2, Output 2.1.1**

**Topic: Telstra 3 Sale – Supplier Contracts Subsequent to 30 June 2006**

**Hansard Page: F&PA 100**

**Senator Sherry asked:**

Are there any contracts that have been signed recently in addition to the contracts on this list?

**Answer:**

In response to Senate Continuing Order No. 9 (Departmental and Agency Contracts), the Department of Finance and Administration has published relevant contracts for the period 1 July 2005 to 30 June 2006 on its website. Telstra 3 project contracts exceeding \$100,000 or more entered into subsequent to 30 June 2006 are:

| <b>Supplier</b>                                 | <b>Role</b>   | <b>Contract Value</b> |
|---|---|-----------------------|
| PMP Print Pty Ltd                               | Domestic printer                                      | \$3,150,000           |
| Bowne & Co Inc                                  | International printer                                 | \$900,000             |
| Envotec Pty Ltd                                 | Envelope supplier                                     | \$160,000             |
| Ducor Group Pty Ltd                             | Forms printing services                               | \$295,000             |
| Buckner Group Pty Ltd                           | Forms printing services                               | \$270,000             |
| Acumen Alliance (ACT) Pty Ltd                   | Independent adviser on retail broker firm allocations | \$100,000             |
| Australian Postal Corporation                   | Mail carrier  | \$5,000,000           |
| Universal McCann/McCann Worldwide Group Pty Ltd | Media buyer for Telstra 3 advertising                 | \$20,000,000          |

Note: The Universal McCann engagement was the subject of a press release by the Minister for Finance and Administration on 29 September 2006.
