Hansard Page/Written Question on Notice: F&PA 119

SENATOR WONG asked on 31/10/2006:

[In relation to timeliness of responses to questions on notice from the Budget Estimates hearing in May 2006]

Senator WONG—Ms Scott, of the 56 per cent which were received late, when were those answers provided to the minister's office for approval? I presume you will want to take that on notice.

Answer:

The issue of timeliness of responses to questions on notice was discussed at length during the Supplementary Budget Estimates hearing. There is nothing further to add to the information that was provided during the hearing.

To prepare this answer it has taken approximately 1 hour at an estimated cost of \$63.
