SENATOR SIEWART asked on 31/10/2006:

Senator SIEWERT—I know you will have to take this on notice. Of the 82 who have accepted [financial case management], could you also tell me, if it is possible, how many are Aboriginal and Torres Strait Islander people?

Answer:

Of the 82 customers serving a non-payment period, who have accepted the offer of financial case management, seven identified as being Aboriginal or Torres Strait Islander.

To prepare this answer it has taken approximately 2 hours and 11 minutes at an estimated cost of \$129.
