Prime Minister and Cabinet Portfolio
Department of Climate Change
Supplementary Budget Estimates Hearing—October 2008

Written question reference: CC1

Outcome/Output: Response to climate change

Topic: Breakdown of costs incurred by the Commonwealth for the Garnaut Climate Change Review

Hansard Page: F&PA 106

Question: (Senator Johnston)

I would be very much obliged if you would [provide a full breakdown of costs incurred by the Commonwealth under the Garnaut Climate Change Review], breaking up all of the costs incurred by the Commonwealth in terms of wages, salaries, travel, accommodation, rentals et cetera.

Answer:

The Department of Climate Change has not yet received all the invoices for the costs incurred during the Garnaut Climate Change Review and consequently cannot at this time provide a final breakdown of the Commonwealth's contribution. A breakdown of the costs incurred by the Commonwealth under the Review will be made available once all relevant invoices have been received.
