The following table sets out the number of people who were added to the rolls by electoral division in the period from the announcement of, to the close of rolls for, the 2007 federal election (14-23 October 2007 inclusive) and after the close of rolls to the return of the writ (24 October – 21 December 2007 inclusive).

It should be noted that additions include new enrolments, re-enrolments, and people transferring into the division from another division.
