Answers to Questions on Notice

Topic: Damage to assets in MG8.

Question P4, Hansard reference F&PA 12

Senator RONALDSON—Has there been any damage to assets in MG8 in this calendar year that you are aware of?

Mr Nakkan—No damage to my knowledge. Again, that type of knowledge would usually be reported to me.

Senator RONALDSON—Will you take that on notice as well?

Mr Nakkan—Yes, noting that I define assets as furniture and fit-out of the suite.

Senator RONALDSON—I would call assets vases and lights et cetera.

Answer

1 Except for minor wear and tear, there has been no damage to DPS controlled assets, including artworks or furniture, in MG-08 this calendar year.
