Ms Christine McDonald
 Secretary of the Finance and Public Administration Committee
 Parliament House
 CANBERRA ACT 2600

Dear Ms McDonald

**CORRECTION TO HANSARD
 Budget Estimates Monday 20 October 2008**

On page 92 of the Proof Hansard Professor McMillan is quoted as saying "*At last count, we had visited 34 communities...*" This is the figure that we have been quoting until recently, however at the time of the hearing an updated figure was available and that would have been "42 communities".

Although the figure is not critical to any of the advice or conclusions presented, I provide this information for the sake of correctness.

Yours sincerely

Ron Brent
