

Senate Standing Committee on Finance and Public Administration

ANSWERS TO QUESTIONS ON NOTICE

Prime Minister and Cabinet Portfolio

Department of the Prime Minister and Cabinet

Supplementary Budget Estimates 20 - 23 Oct 2008

Question: PM36c

Outcome 1, Output 5

Topic: Prime Minister's official residences - assets owned by PM&C

Hansard Page: Written Question

Senator Ronaldson asked: Can we be provided with a list of all assets owned by the PM&C that are located at either Kirribilli and The Lodge?

Answer: The attached lists detail recorded assets owned by the Department at both The Lodge and Kirribilli House other than fitout assets which are integral to the structure of the building. The asset recognition threshold is such that purchases of property, plant and equipment are recognised initially at cost in the balance sheet, except for purchases costing less than \$2000 which are expensed in the year of acquisition (other than where form part of a group of similar items which are significant in total).
